**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The present application is a national stage application of PCT/EP2004/003153, for which an International Search Report (ISR) was issued. A First Information Disclosure Statement (IDS) was filed in the present application on October 4, 2005 to make the documents identified in the ISR of record in the present application. Copies of the two non-patent literature documents cited in the First IDS were not supplied because they were to be supplied by the International Bureau.

However, copies of the non-patent literature documents cited in the ISR and the First IDS were not supplied by the International Bureau. This Supplemental Information Disclosure Statement is submitted to ensure consideration of the two non-patent literature documents previously cited in the ISR and First IDS.

Because the ISR was previously made of record and the non-patent documents were to have been forwarded by the International Bureau, it is believed that no fees are due.

However, if fees are required for consideration of this Supplemental IDS, the Commissioner is hereby authorized to charge any appropriate fees that may be required by this paper, and to credit any overpayment, to Deposit Account No. 02-4800.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
